BEST TURNED OUT 2021

Yotes Court were proud to be awarded WineGB Best Newcomer of the Year 2021 with the previous vintage of 'Best Turned Out' which consequently sold out very quickly. This year we tripled production and, despite a cooler growing season, have created another beautiful pale pink Rosé bursting with fruit. Yotes Court and Defined Wine Ltd. are both Founder Members of and certified by Sustainable Wines of Great Britain (SWGB). This wine is suitable for Vegans.

YOTES COURT BEST TURNED OUT 2021

TASTING NOTE & FOOD PAIRING

This light, pale pink Rosé is vibrant and fruity with aromas of baked red berries, watermelon and peach. On the palate there are gentle notes of strawberry yoghurt leading to a crisp cranberry and citrus finish.

With the acidity of a white wine & the subtle fruit characters of a red, Pinot Meunier Rosé pairs well with any cheese. It will also be the perfect partner to grilled lobster, summer risottos and Italian salads.

VITICULTURE

VINEYARD:	Pinot Meunier vines were planted in Block 16 in 2016. 977/978 clones on SO4 Fercal rootstock. This block is at the lower end of the vineyard where the ground flattens out.
SOIL:	The soil in the lower blocks has a higher clay component than the lighter soils on the ridge above. These fertile clay colloids increase the nutrient availability for the Meunier vines resulting in a larger leaf canopy that helps to further ripen the fruit to achieve a more exuberant expression of its varietal characteristics.
HARVEST:	Picked by hand into 325kg Dolav bins on 18th October 2021.

WINEMAKING

PROCESSING & FERMENTATION:	De-stemmed and cold soaked to allow some colour into the juice. The grapes were then pressed and cold settled before being racked into stainless steel tanks. The juice was innoculated with Zymafloew X5 yeast for fermentation and then permitted 10% malolactic fermentation. The wine was hot & cold stabilised before being cross-flow filtered for bottling.
